Small Group Discussion

- What were the standout innovations and creative solutions showcased during the 2023 GFRAS Annual Meeting that have inspired you?
- What will you do to emphasize and encourage building the next generation of leaders in agriculture in your work?

A large, light green stylized tree graphic is positioned on the right side of the slide. The tree has a thick trunk and several branches with simple, rounded leaves. The overall style is clean and modern.

The background is a solid teal color with a faint, repeating pattern of stylized leaves. The leaves are a slightly darker shade of teal and are arranged in a way that suggests a branch or a cluster of foliage.

Thank you!
